

## APPENDIX 6: LIST OF CHILDREN’S HOSPITALS

### California Children’s Hospital Association Members and Associate Members

Children’s Hospital	Special Care Centers	Affiliated Medical School
Children’s Hospital Central California <a href="http://www.childrenscentralcal.org">http://www.childrenscentralcal.org</a>	Cardiac Center, Communication Disorder Center, Craniofacial Center, Cystic Fibrosis and Pulmonary Disease Center, Endocrine Center, Gastrointestinal Center, Hematology/Oncology Center, Hemophilia Center, High Risk Infant Follow-up (Regional), Metabolic, Musculoskeletal/Neuromusculoskeletal, Rheumatology Disease, Neonatal Intensive Care Unit (Regional), Pediatric Intensive Care Unit, Rehabilitation Center, Renal Dialysis and Transplant Centers, Sickle Cell Disease Center, Spina Bifida Center	University of California, Merced (in development)
Childrens Hospital Los Angeles <a href="http://www.childrenshospitalla.org">http://www.childrenshospitalla.org</a>	Bone Marrow Transplant Center, Cardiac Center, Cochlear Implant Center, Communication Disorder Center, Craniofacial Center, Cystic Fibrosis and Pulmonary Disease Center, Cystic Fibrosis and Pulmonary Disease Center, Extracorporeal Membrane Oxygenator (ECMO) Center, Gastrointestinal Center, Heart and Lung Transplant Center, Heart Transplant Center, Hematology/Oncology Center, Hematology/Oncology Center (Bone and Extremity Tumor Program), Hematology/Oncology Center (Neuro-Oncology Program), Hemophilia Center, High Risk Infant Follow-up (Community), High Risk Infant Follow-up (Regional), Immunology/Infectious Disease Center, Liver Transplant Center, Metabolic and Endocrine Center (Metabolic Only), Metabolic and Endocrine Center (Endocrine Only), Miscellaneous Center (Rheumatology Disease), Neonatal Intensive Care Unit (Regional), Pediatric Intensive Care Unit, Rehabilitation Center, Renal Dialysis and Transplant Center, Selective Posterior Center, Sickle Cell Disease Center, Spina Bifida Center	University of Southern California, Keck School of Medicine
Children’s Hospital of Orange County <a href="http://www.choc.com">www.choc.com</a>	Bone Marrow Transplant Center, Cardiac Center, Craniofacial Center, Cystic Fibrosis and Pulmonary Disease Center, Endocrine Center, Extracorporeal Membrane Oxygenator (ECMO) Center, Gastrointestinal Center, Hematology/Oncology Center, Hemophilia Center, High Risk Infant Follow-up (Regional), Immunology/Infectious Disease Center, Metabolic Center, Miscellaneous Center (Rheumatology Disease), Neonatal Intensive Care Unit (Regional), Pediatric Intensive Care Unit, Renal Dialysis and Transplant Center, Sickle Cell Disease Center, Spina Bifida Center	University of California, Irvine, School of Medicine
Children’s Hospital and Research Center at Oakland <a href="http://www.childrenshospitaloakland.org">http://www.childrenshospitaloakland.org</a>	Bone Marrow Transplant Center, Cardiac Center, Communication Disorder Center, Cochlear Implant Center, Craniofacial Center, Cystic Fibrosis and Pulmonary Disease Center, Extracorporeal Membrane Oxygenator (ECMO) Center, Gastrointestinal Center, Hematology/Oncology Center, Hemophilia Center, High Risk Infant Follow-up (Regional), Immunology/Infectious Disease Center, Metabolic and Endocrine Center, Neonatal Intensive Care Unit (Regional), Pediatric Intensive Care Unit, Rehabilitation Center, Sickle Cell Disease Center, Spina Bifida Center	
Loma Linda University Children’s Hospital	Cardiac Center, Communication Disorder Center, Craniofacial Center, Cystic Fibrosis and Pulmonary Disease Center, Extracorporeal Membrane Oxygenator (ECMO) Center, Gastrointestinal Center, Heart Transplant Center, Hematology/Oncology Center, Hemophilia Center, High Risk Infant Follow-up (Regional), Immunology/Infectious Disease, Metabolic and Endocrine Center (Endocrine Only), Rheumatology Disease, Neonatal Intensive Care Unit (Regional), Pediatric Intensive Care Unit, Rehabilitation, Renal Dialysis and Transplant Center, Sickle Cell Disease Center, Spina Bifida Center	Loma Linda University School of Medicine

<b>Children's Hospital</b>	<b>Special Care Centers</b>	<b>Affiliated Medical School</b>
Lucile Packard Children's Hospital at Stanford <a href="http://www.lpch.org">www.lpch.org</a>	Bone Marrow Transplant Center, Cardiac Center, Communication Disorder Center, Craniofacial Center, Cystic Fibrosis and Pulmonary Disease Center, Extracorporeal Membrane Oxygenator (ECMO) Center, Gastrointestinal Center, Heart and Lung Transplant Center, Heart Transplant Center, Hematology/Oncology Center, Hemophilia Center, High Risk Infant Follow-up (Regional), Immunology/Infectious Disease Center, Liver Transplant Center, Metabolic and Endocrine Center (Endocrine Only), Metabolic and Endocrine Center (Metabolic Only), Rheumatology Disease, Neonatal Intensive Care Unit (Intermediate), Neonatal Intensive Care Unit (Regional), Pediatric Intensive Care Unit, Renal Dialysis and Transplant Center, Sickle Cell Disease Center	Stanford University School of Medicine
Mattel Children's Hospital at UCLA <a href="http://www.uclahealth.org/homepage_mattel.cfm">http://www.uclahealth.org/homepage_mattel.cfm</a>	Bone Marrow Transplant Center, Cardiac Center, Cochlear Implant Center, Craniofacial Center, Gastrointestinal Center, Heart Transplant Center, Hematology/Oncology Center, High Risk Infant Follow-up (Regional), Immunology/Infectious Disease Center, Liver Transplant Center, Metabolic Center (Endocrine Only), Metabolic Center (Metabolic Only), Rheumatology Disease, Neonatal Intensive Care Unit (Regional), Pediatric Intensive Care Unit, Renal Dialysis and Transplant Center, Selective Posterior Center, Sickle Cell Disease Center, Specified Inherited Neurological Diseases Center	University of California, Los Angeles, Geffen School of Medicine
Miller Children's Hospital <a href="http://www.memorialcare.org/miller">http://www.memorialcare.org/miller</a>	Cardiac Center, Craniofacial Center, Cystic Fibrosis and Pulmonary Disease Center, Gastrointestinal Center, Hematology/Oncology Center, Immunology/Infectious Disease Center, Metabolic and Endocrine Center (Endocrine Only), Miscellaneous Center (Rheumatology Disease), Neonatal Intensive Care Unit (Regional), Pediatric Intensive Care Unit, Rehabilitation Center, Renal Dialysis and Transplant Center, Sickle Cell Disease Center, Spina Bifida Center	University of California, Irvine School of Medicine
Rady Children's Hospital – San Diego <a href="http://www.chsd.org">http://www.chsd.org</a>	Amputee Center, Bone Marrow Transplant Center, Cardiac Center, Communication Disorder Center, Cochlear Implant Center, Craniofacial Center, Cystic Fibrosis and Pulmonary Disease Center, Extracorporeal Membrane Oxygenator (ECMO) Center, Endocrine Center, Gastrointestinal Center, Hematology/Oncology Center, Hemophilia Center, High Risk Infant Follow-up (Regional), Immunology/Infectious Disease Center, Metabolic Center, Rheumatology Disease, Neonatal Intensive Care Unit (Regional), Pediatric Intensive Care Unit, Rehabilitation Center, Renal Dialysis and Transplant Center, Sickle Cell Disease Center, Specified Inherited Neurological Diseases Center, Spina Bifida Center	University of California, San Diego, Department of Pediatrics
University Children's Hospital at University of California Irvine <a href="http://www.healthcare.uci.edu/peds.asp">http://www.healthcare.uci.edu/peds.asp</a>	Cardiac Center, Cochlear Implant Center, Communication Disorder Center, Cystic Fibrosis and Pulmonary Disease Center, Gastrointestinal Center, Hematology/Oncology Center, Hemophilia Center, High Risk Infant Follow-up (Regional), Metabolic and Endocrine Center (Metabolic Only), Neonatal Intensive Care Unit (Regional), Pediatric Intensive Care Unit (PICU), Rehabilitation Center, Renal Dialysis and Transplant Center, Selective Posterior Center, Sickle Cell Disease Center, Spina Bifida Center	University of California, Irvine, School of Medicine
University of California, Davis Children's Hospital <a href="http://www.ucdmc.ucdavis.edu/children/">http://www.ucdmc.ucdavis.edu/children/</a>	Amputee Center, Cardiac Center, Cochlear Implant Center, Communication Disorder Center, Craniofacial Center, Cystic Fibrosis and Pulmonary Disease Center, Gastrointestinal Center, Hematology/Oncology Center, Hemophilia Center, High Risk Infant Follow-up (Regional), Immunology/Infectious Disease Center, Metabolic and Endocrine Center, Musculoskeletal/Neuromusculoskeletal, Neonatal Intensive Care Unit (Regional), Pediatric Intensive Care Unit, Rehabilitation Center, Renal Dialysis and Transplant Center, Sickle Cell Disease Center, Specified Inherited Neurological Diseases Center, Spina Bifida Center	University of California, Davis School of Medicine
University of California, San Diego Children's Hospital <a href="http://www-pediatrics.ucsd.edu">http://www-pediatrics.ucsd.edu</a>	Heart Transplant Center, Heart and Lung Transplant Center, Hemophilia Center, High Risk Infant Follow-up (Regional), Neonatal Intensive Care Unit (Regional), Specified Inherited Neurological Diseases Center	University of California, San Diego School of Medicine

<b>Children's Hospital</b>	<b>Special Care Centers</b>	<b>Affiliated Medical School</b>
University of California, San Francisco Children's Hospital <a href="http://www.ucsfhealth.org/childrens">http://www.ucsfhealth.org/childrens</a>	Cardiac Center, Communication Disorder Center, Craniofacial Center, Cystic Fibrosis and Pulmonary Disease Center, Extracorporeal Membrane Oxygenator (ECMO) Center, Gastrointestinal Center, Hematology/Oncology Center, Hemophilia Center, High Risk Infant Follow-up (Regional), Immunology/Infectious Disease Center, Liver Transplant Center, Metabolic and Endocrine Center (Endocrine Only), Metabolic and Endocrine Center (Metabolic Only), Rheumatology Disease, Neonatal Intensive Care Unit (Regional), Prosthetics/Orthotics Center, Pediatric Intensive Care Unit, Rehabilitation Center, Renal Dialysis and Transplant Center, Selective Posterior Center, Sickle Cell Disease Center, Spina Bifida Center	University of California, San Francisco School of Medicine
Children's Center at Sutter Medical Center, Sacramento <a href="http://checksutterfirst.org/children">http://checksutterfirst.org/children</a>	Cardiac Center, Craniofacial Center, Cystic Fibrosis and Pulmonary Disease Center, Extracorporeal Membrane Oxygenator (ECMO) Center, Gastrointestinal Center, Hematology/Oncology Center, High Risk Infant Follow-up (Regional), Metabolic and Endocrine Center (Endocrine Only), Metabolic and Endocrine Center (Metabolic Only), Neonatal Intensive Care Unit (Regional), Pediatric Intensive Care Unit, Sickle Cell Disease Center	

### Non CCHA Members

<b>Children's Hospital</b>	<b>Special Care Centers</b>	<b>Affiliated Medical School</b>
Cedar's Sinai Medical Center <a href="http://www.cedars-sinai.edu/">http://www.cedars-sinai.edu/</a>	Cardiac Center, Cystic Fibrosis and Pulmonary Disease Center, Endocrine Center, Hematology/Oncology Center, High Risk Infant Follow-up (Regional), Immunology/Infectious Disease Center, Metabolic Center, Neonatal Intensive Care Unit (Regional), Pediatric Intensive Care Unit, Renal Dialysis and Transplant Center, Sickle Cell Disease Center	University of California, Los Angeles, Geffen School of Medicine
Childrens Hospital Los Angeles County University of Southern California Medical Center  <a href="http://www.lacusc.org/childrenshospitala.org">http://www.lacusc.org/childrenshospitala.org</a>	Cleft Palate, Communication Disorder Center, Craniofacial, High Risk Infant Follow-up (Regional), Immunology/Infectious Disease Center, Metabolic and Endocrine Center (Metabolic Only), Neonatal Intensive Care Unit (Regional), Pediatric Intensive Care Unit (PICU), Sickle Cell Disease Center, Spina Bifida Center	University of Southern California, Keck School of Medicine
Shriner's Hospital, Los Angeles <a href="http://www.shrinershq.org/hospitals/los_angeles">http://www.shrinershq.org/hospitals/los_angeles</a>	CCS paneled—provides pediatric specialty care, and orthopedics	University of California, Los Angeles, Geffen School of Medicine  University of Southern California, Keck School of Medicine
Shriner's Hospital for Children, Sacramento <a href="http://www.shrinershq.org/Hospitals/Northern_California/">http://www.shrinershq.org/Hospitals/Northern_California/</a>	CCS paneled—provides pediatric specialty care, orthopedics, and care for burns and spinal cord injury
