Electronic Visit Verification (EVV) Stakeholder Meeting

Features
Electronic Visit Verification (EVV) is a system that electronically verifies that in-home service visits occurred. The federal government requires that all states implement EVV for Medicaid-funded personal care services. The Department of Health Care Services is hosting an EVV stakeholder meeting on Monday, October 19 from 11 a.m. to 12:30 p.m. Pacific Time to discuss the implementation of EVV.
