WEBINAR: State Clarifies EPSDT Requirements for Managed Care Health Plans

The State of California’s Department of Health Care Services (DHCS) recently released a letter clarifying the requirements for Medicaid managed care health plans to ensure that children and youth with special health care needs are able to access critical health services. This webinar will provide an overview of the letter and discuss how it impacts managed care providers and families. The webinar will also address the impact of the unwinding of the Public Health Emergency on families and the future of Medicaid.

WEBINAR: Putting Care at the Center

This webinar will feature experts discussing the importance of putting care at the center of decision-making for children and youth with special health care needs. Participants will learn about the latest research and best practices in medical home and pediatric palliative care.

WEBINAR: The Impact of the Expanded Child Tax Credit on Families Raising Children with Disabilities

In this webinar, national experts will present findings from a study examining the impact of the expanded Child Tax Credit on families raising children with disabilities. The webinar will also discuss potential policy implications and next steps.

WEBINAR: CCS Advisory Group to Meet

This webinar will provide an update on the CCS Advisory Group’s recent activities and discuss the group’s role in ensuring that children and youth with special health care needs receive high-quality, coordinated care.

WEBINAR: Medicaid provides health coverage for a majority of CYSHCN, and also offers assistance with vision, hearing, and speech.
