California Children’s Services (CCS)
Regional Collaboration

CCS Stakeholders Meeting

Agenda

Collaboration Goals
1. Engage key stakeholders in a planning process to design a regional model for CCS that will improve quality and outcomes, improve provider and family satisfaction, and address health care delivery costs.
2. Design a viable funding structure for the model.
3. Develop a proposal/concept paper for a regional CCS model in a managed care environment that both stakeholders and DHCS support.
4. Seek to implement and evaluate the model over a 3-5 year period.
