Families
If we don't meet the criteria will our children get what they need?

Payers
Limited resources require limited access by needs

Doctors
Limited options limit whose needs we can meet
Families Underinsured is the new uninsured.

Payers You are the expensive end of the pool.

Doctors Who is paying for quality?
Families This is what we needed, before we had the words to ask for it.

Payers Care beyond medicine is not reimbursable.

Doctors This is how I want to practice, that my patients' needs are met.
Families

Will everyone talk to each other?

Payers

Let's talk the cost of talk.

Doctors

Will working together fit on top of caseloads?
