Families

Fear is a part of love

Payers

Yikes! #expensive

Doctors

System is not working for us, either. We are frustrated each day.

This is what we needed, before we had the words to ask for it.

Care beyond medicine is not reimbursable.

This is how I want to practice, that my patients’ needs are met.

Stage Setting: Families of Children with Health Complexity

Doctors
I don’t know what happens where I can’t see it.

Families
We need to live a life beyond care needs.

Payers
Care outside of our system is not reimbursable.

Will everyone talk to each other?

Let’s talk the cost of talk.

Will working together fit on top of caseloads?

You are the expensive end of the pool.
Underinsured is the new uninsured.
You are the expensive end of the pool.
Who is paying for quality?
